

If the eyes
are the window
to the soul, a
beautiful smile
is the doorway
to unlimited
possibilities.

Philip Kozlow, D.D.S.
General & Cosmetic Dentistry
5050 Quorum Drive, Suite 340
Dallas, Texas 75254

Enhancing your Smile

The mouth is the focal point of the face. It is a vital means of communication in which one expresses love, happiness and joy.

Call us to schedule improving your smile—choose from many options!

MERCURY-FREE DENTISTRY

Dr. Kozlow is one of the leading dental practitioners for the safe removal of amalgam fillings. Our operatories are organized and structured for taking out amalgam fillings without releasing mercury into the patient's body. Both the doctor and patient wear protective gear and breathe medical grade air during the procedure.
